

REMARKS

The above-described amendment per 37 C.F.R. 1.312 to claim 11 is made following an Examiner's amendment. The present amendment to claim 11 was proposed by the applicant on March 5, 2004, but never entered by the Examiner's Amendment. The amendment to claim 11 is necessitated by other changes to claim 11. More specifically, claim 11 was amended to include the term "either one." However, the term "and" following the term "either one" should have been changed to "or" at that time in order to maintain the meaning of the claim.

All of the pending claims are believed to be in condition for allowance and a notice to that effect is earnestly solicited.

Respectfully submitted,
KLAAS, LAW, O'MEARA & MALKIN, P.C.
